## The Hawera Howler?! Maybe not this year

This used to be called the Hawera Howler, but this year I must confess (this is so hard Peter), we had perfect conditions. It was a bit cold with a breeze before we started but once we were racing, well it was perfect. A nice sunny day south of the Mountain with just a hint of spring in the air; even the mountain looked happy to see these weird walkers racing in the Country.

This was the smallest number of walkers we have had at an event in many years; only 13 of us. I guess it was just circumstances; holidays, sickness and injuries. It made it a bit harder out there for most of us and was virtually a time trial with such a gap between the starting positions – the nearest starter to me was nearly 9 minutes up the road.

Mary Anne was first away today and looked much more upright after her sessions out at the track with Eric and Rachel. Michelle got off to a very fast start followed by Dave Barrett. Jeff started over a minute behind Tony but closed the gap very quickly, in fact it looked like in the first 2 laps he would go through the field. Wacky obviously had a great warmup today, he started with a hiss and a roar and soon caught those in front. It looked for a moment like being Wacky's race, but then the noise of the steam engine started. Sure enough Mike had a full head of steam today and caught Wacky and won by 7 seconds. Mike also took fastest time in 54m57s. Michelle was fastest female in 1h16m45s.

In the Vets it was really great to see Ivor racing out there again today. He did his 2.5K in 31m52s. Birthday boy metronome Arthur did the 5K in 43m14s beating Mary by over a minute.

Morning tea celebrated the fact that Egmont was on show today – we had a mountain of food. Many thanks to Peter and Pat for a great spread.
