

Club Championships Day 2 - 10km

History repeats itself - well almost. Looking back at the write-up for last year's event we had torrential rain for the first 5 minutes! This year on the way out we wondered what we were doing as the rain bucketed down. We could see it was going to clear, but when? This time 5 minutes before the start - our luck continues for great conditions this year! Even the wind stopped and we ended up with perfect conditions for racing.

The club Champions over 10K for 2011 are Harry in 55 minutes 6 (last year he did 57m34s, a PB);

Rachel in 61 minutes 22 and in the 5K for the 80 plus age group, Arthur did a superb time of 37m 12s (21 seconds quicker than last year).

There were some intriguing battles out there today. One of these was between Jeff, Dave Wackrow and Rachel. In the early stages Rachel got the lead on the other 2 (even after having to stop to do shoe laces); Jeff was next up and Dave Wackrow with his usual slow start was gaining. At the 5K turn Rachel's lead had been eroded with Dave now sitting just behind and Jeff trying to hold on. The next time I saw this trio was on the little rise just before 9K. Dave had opened a gap, but Rachel and Jeff were battling side by side. In the final 1K Jeff closed on Dave, but couldn't quite catch him and Rachel slipped back. Dave finished in 1h 54s, with Jeff only 8 seconds adrift and another 20 seconds back to Rachel.

Another very hard battle was happening between Marlene, Serena, Anne, Tony and Sandra. In the early stages Marlene got a lead on the others with Anne chasing her, then Serena, Tony and Sandra. By the 5K turn Marlene still held the lead but Serena had got into her work and was chasing hard, Anne was next then Tony. At 7K Marlene had about 30 metres or so on Serena and Anne still had 10 metres on Tony. By the 9K mark then Serena closed the gap more, taking advantage of the hill and got to within about 20 metres, Tony had passed Anne and was chasing hard to catch Serena. At the end Marlene did 64m27s with Serena just 13s back then Tony another 30 seconds. Anne was ecstatic at the end because the battle had given her a PB of 65m38s. Great race to watch.

The sprint of the day was Dave Barrett against Helen in the final 100 metres. With Dave closing fast in the final few metres it looked like he would overtake, but Helen found a new gear with 10 metres left and held out by 4 seconds - great to watch.
