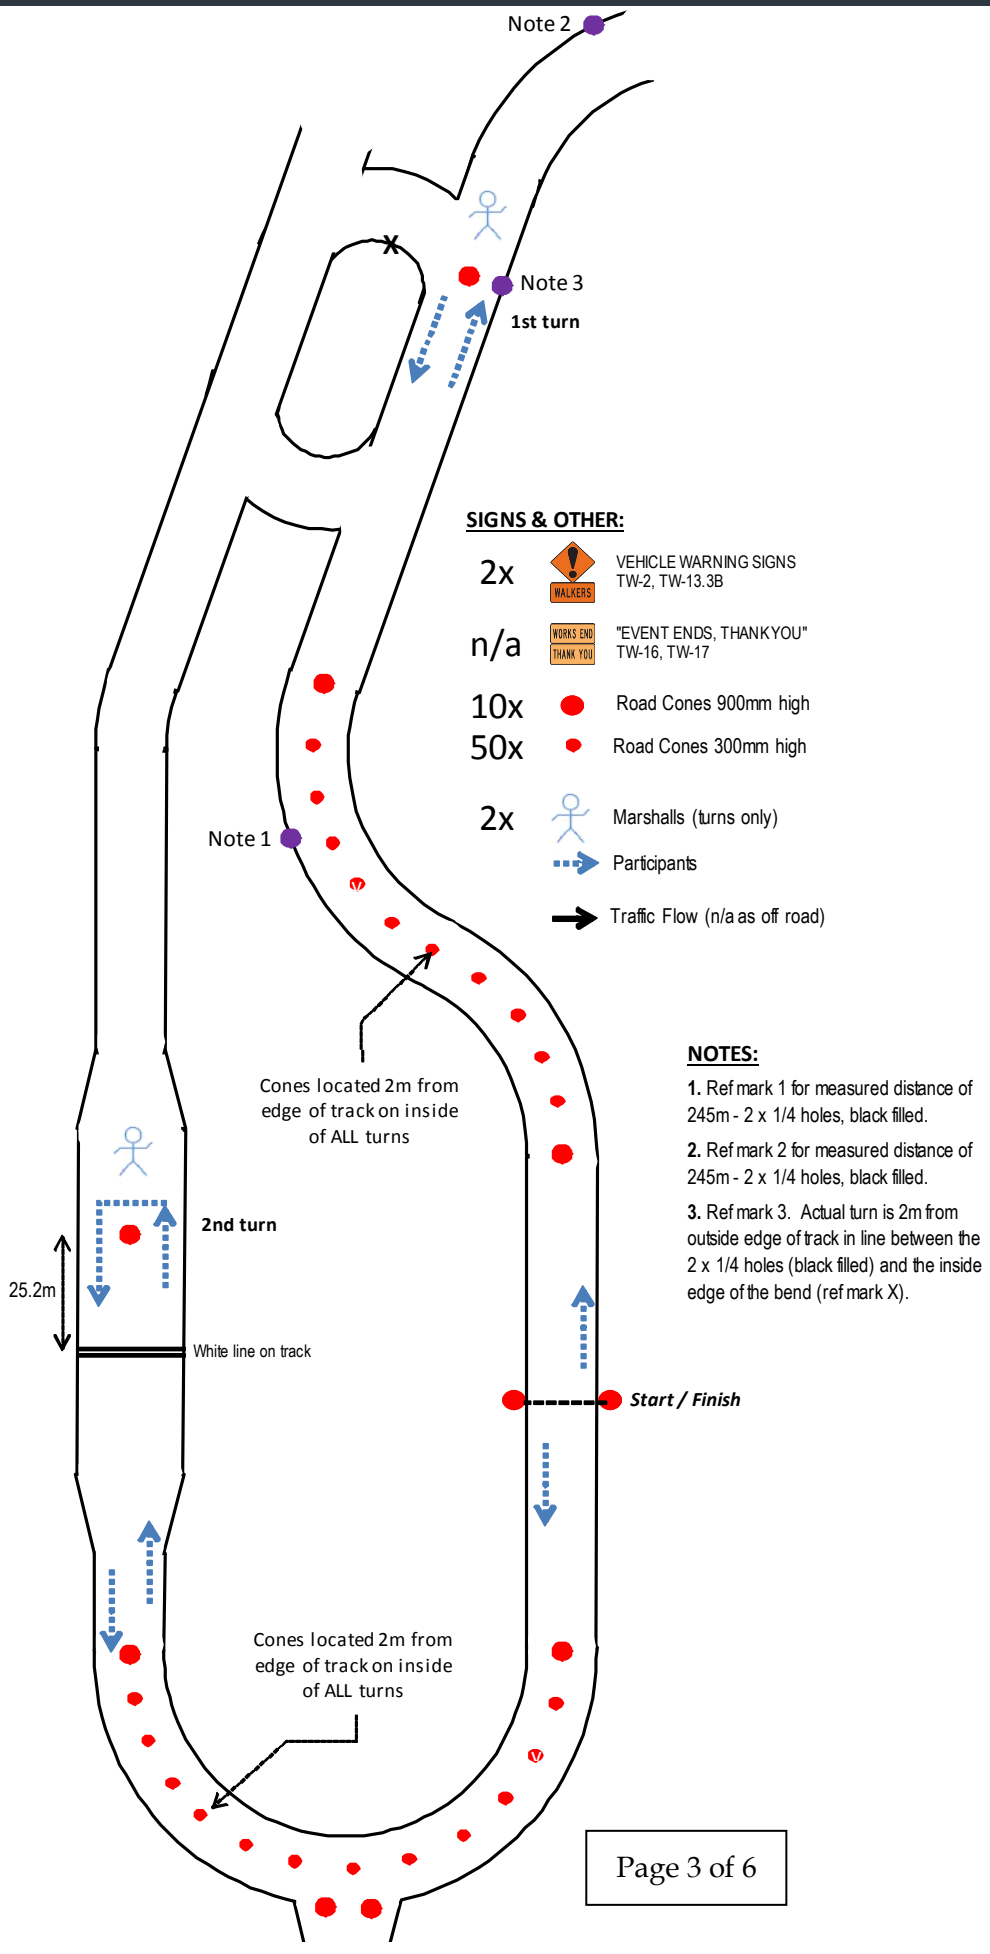
COURSE DETAILS



NOTES:

1. Ref mark 1 for measured distance of 245m - 2 x 1/4 holes, black filled.

2. Ref mark 2 for measured distance of 245m - 2 x 1/4 holes, black filled.

3. Ref mark 3. Actual turn is 2m from outside edge of track in line between the 2 x 1/4 holes (black filled) and the inside edge of the bend (ref mark X).

LOCATION OF TURNS AND START/FINISH

A – Start/Finish Line

The start/finish line is level with the entrance to the velodrome.
Exact position not required.

B - 1st Turn

Line up the 2 x ¼" holes to a tangent of the turn located on the inside of the track (near the top of the cone). Place the cone 2m from the track edge (ref mark side).

C - 2nd Turn

The second turn is located in the centre of the track 25.2 meters in the seaward direction from the centre of the white line that is painted across the track.

APPENDIX 1

LOCATION OF REFERENCE MARKS FOR CALIBRATION OF THE BICYCLE JONES COUNTER

1st Reference Mark

2nd Reference Mark

The reference marks are each 2 x 1/4 "holes filled with black filler.
The holes are a measured 245 meters apart.
Approximate locations are shown on the course layout on page 3.
